- Fees are payable in advance by the 3rd of each month.
- One month's notice via email is required to discontinue classes, including full payment. If notice is given in November, a two-month notice period applies to avoid skipping December fees.

- Existing students will be charged pro-rata for January, with monthly/quarterly payments continuing through **December**.
- For new students, their first month will be charged pro-rata based on the start date, with payments continuing monthly/quarterly until **December**.
